FISCAL NOTE

SB 58

February 3, 2009

SUMMARY OF BILL: Requires driver's license revocation hearings conducted by the Department of Safety for individuals less than 18 years of age to be held at times other than during school hours.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumption:

- According to the Department of Safety (DOS), the department receives very few requests for hearings for individuals less than 18 years old. As a result, the department has indicated that it should be able to hold any of these hearings at times other than school hours. DOS has further indicated that any increase to departmental expenditures as a result of this bill would be considered not significant.
